Case No. 21-11650 (and Dismissed Case No. 19-33681)

Chapter 13

Motion to Seal and Remove Public Access

To the Honorable Judge of the United States Bankruptcy Court:

NOW COMES the Debtor, Kimberly Mitchell, respectfully requesting this Court to seal and restrict public access to docket entries and documents associated with the dismissed bankruptcy case number 19-33681 and/or current case number 21-11650, insofar as they are being misused online and causing significant personal harm. This motion is brought under D.N.J. LBR 9018-1 and the Court's general authority to seal records in appropriate circumstances.

Grounds for this motion include the publication of full name, home address, and sensitive financial information on third-party websites that are accessible via simple online search queries, in violation of privacy and safety. The debtor has experienced stalking and has reason to believe this information is being weaponized to threaten or intimidate.

The dismissed case (19-33681) is no longer relevant, and the current active case (21-11650) is being managed in good faith. The debtor resides at 30 Carrington Place, Clifton NJ 07013, and respectfully requests the sealing of specific docket entries and related documents, or other relief the Court deems appropriate.

Respectfully submitted,

Kimberly Mitchell
